Joelle Ogletree

Dear Joelle Ogletree:

I have spoken with the Johnson/Somervell County District Attorney's Office and have been assured that there are no photographs of you in their file with exception of a drivers license photograph. In addition, all information included in their file was made available to your defense attorney through their open file policy prior to the trial. I have also checked the Somervell County Sheriff's Office files and there are no photographs of you in the file with the exception of a drivers license photograph.

You stated that an individual was saying that photographs of you did exist. This department has not been able to confirm any evidence of the existence of any photographs of you.

If I can be of further assistance to you regarding this matter, please feel free to contact me at our offices.

Sincerely,

SERVE AND PROTECT
